

Logistics Service

Logistics Service : Non-Residential Inventory

B.W.T

U.C.R

Customer can storage the cargo on bonded warehouse without import customs declaration

BWT : Bonded Inventory control under the PCS on BL/AWB

UCR : Bonded Inventory control under the PCS on Shipping Invoice

Non-Residential Inventory Advantages

- ✓ After the end user confirmed to buy the items at bonded warehouse, can do the import customs declaration or bonded transfer
- ✓ Easy to return the items that has not sold to the customers
- ✓ Exporter can deliver the items to consignee immediately, and importer can purchase the items immediately
