Dear Esteemed Customers,

REVISION OF AIR CARRIER LIABILITY LIMIT UNDER THE MONTREAL CONVENTION.

In accordance with the announcement from the ICAO dated 16 Oct 2024, subject: "*Revision of limits of liability under the Montreal Convention of 1999 – Notification of effective date of revised limits*", KWE Malaysia will adopt the higher air carrier liability at SDR 26 per kg instead of the present SDR 22 per kg with effect from 28 Dec 2024.

We are currently in midst of revising our house air waybill conditions of contract to reflect the new condition. Arrangement is being made with our printing vendor to print and use new stock of air waybill featuring the new condition. Notwithstanding that old stock of air waybills may still be used by KWE Malaysia in the interim, we will honour the higher air carrier liability with effect from 28 Dec 2024.

Thank you for your attention.
