

KINTETSU WORLD EXPRESS (SWEDEN) AB

Do you have previous experience within forwarding and logistics ? Do you want to continue to develop your skills in international transportation and supply chain management ? Are you a team player who wants to work in a company with a global profile ?

Kintetsu World Express (Sweden) AB is currently expanding and we are now looking for

Sea Freight Forwarders (m/f/d)

to join our team for an exciting assignment in Gothenburg.

About the Company

KWE is a Global Brand born in Japan. With more than 18,000 employees in 46 countries, KWE is recognized as a global player in international transportation & logistics. With experience and knowledge cultivated over more than five decades, the KWE Group stands ready to take on the logistics challenges of tomorrow's industries and tomorrow's world.

Since the start of operations in Gothenburg in 2006, KWE Sweden has established a strong team of industry professionals, who share our values and support our growth ambitions. KWE is recognized for our quality of service and dedication to building partnerships with our clients and suppliers. We support our Global philosophy to contribute to a sustainable community development. Our employees enjoy a safe, diverse and fair working environment. Our hybrid working solutions offer our employees flexibility and a better work-life balance.

About the Position

Future employees will find a well established local setup and a strong global network which collaborates in an agile manner to manage today's challenges in our industry

In your role as a Sea Freight Forwarder, you will be responsible for managing the daily operations for Sea Freight Export and Import. You will be based in our new and modern Gothenburg Downtown Office.

Your main tasks will involve:

- Management of Sea Freight bookings from our Clients or our Global network (FCL/LCL)
- Daily communication with our Clients, Subcontractors and Colleagues around the world
- Export and Import Customs Clearance Declaration and Reporting
- Billing to our Clients and to our Network Partners
- Support of rate procurement from Sea Freight Carriers on occasional basis

KINTETSU WORLD EXPRESS (SWEDEN) AB

About You

You have a post-secondary education in logistics or equivalent and you bring in a good understanding of the logistics process and flows. You are a results driven problem solver with experience in international sea freight. You have good communication skills in Swedish as well as English and you look forward to working in an international environment. You have an analytical mindset and enjoy working both reactively and proactively. If you are a team player who enjoys taking your own initiative and working independently, you will succeed in the role.

Requirements:

- Post-secondary education in logistics or transport
- Min. 2 years in a similar role
- Fluent in Swedish and English both written and verbal
- Knowledge of standard MS Office applications (Excel/Word/Outlook)
- Good problem solving and cooperation skills

Benefits

Our benefits include

- 37,5hrs weekly Work Time
- Hybrid Working Solutions
- Above market average Salary & Pension
- Access to regular internal and external Training Programs

Besides an attractive salary package, our clear strategy and a flat hierarchy will help you to be successful to enjoy the additional benefits of our annual performance based reviews. You get supported by other work-life balance offerings and supplementary health insurance.
