

COMPLIANCE ADVISORY

July 9, 2026

KWE
Global Logistics Partner

CSMS 69177694 - CPSC Opts Not to Implement Requirement...Yet - Filers will be allowed by the U.S. Consumer Product Safety Commission (CPSC) regulation to send no CPSC message even if the Harmonized Tariff Schedule (HTS) code is flagged as CP1 or CP2. However, CPSC does encourage the implementation of advisory messages to ensure that filers are aware that PGA data may be required.
