

Kintetsu World Express, Inc. presents...

CLEAN & SIMPLE

Weekly Roundtrip Charters to Shanghai and New York

Times change. Our commitments don't.

Starting March 12, Kintetsu World Express will serve weekly roundtrip flights to Shanghai (PVG) and New York City (JFK) via our chartered Boeing 747-400F. Fly out less than 24 hours with road feeder options throughout the Eastern half of the US.

No detours. No down-times.

We'll take the weight off your shoulders—for ease of mind, even in changing times.

Consistency

Can't make a date? Let's raincheck: charters depart from Shanghai-Pudong and John F. Kennedy every Saturday through 2023.

Security

Don't sweat it. With state-certified safeguards and industry-trained staff, your shipment is in good hands.

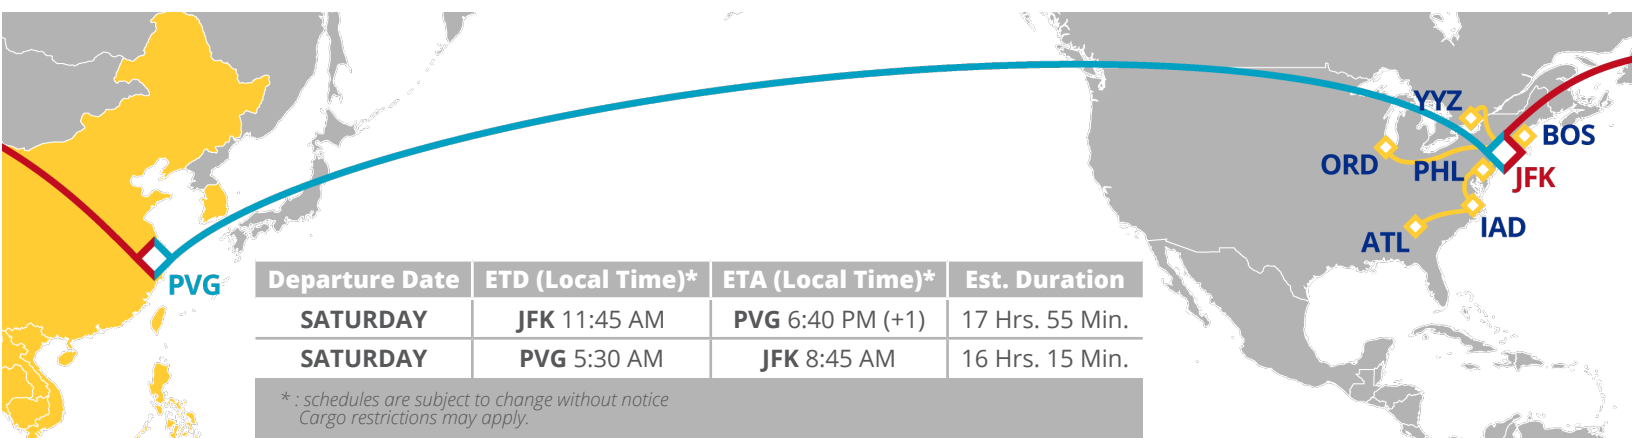

Visibility

See what we see. Shipments are tracked in real-time with our secure online tracing platform to access transit details wherever you are.

Speed

Avoid inspection delays when your goods are loaded into KWE's Pure ULD™ containers by our handling experts.
