

KWE Vietnam Cross Border Trucking Service (CBT)

In an effort to provide an alternative transportation solution to our customers in South East Asia and China, KWE VN Cross Border Trucking Service is designed for optimizing the response to our customers' transportation requirement with shorter lead-time than ocean-freight and lower cost than air-freight.

ACROSS THE BORDER with shorter lead-time and lower cost

- ❖ One stop point from end-to-end
- ❖ All-In rates
- ❖ One contact window for end-to-end transit
- ❖ Tailor-made service for specific requirement
- ❖ Visibility 24x7 with GPS
- ❖ No schedule omitting
- ❖ Transportation inquiry can be responded any time without waiting for flight and vessel schedule
