Commission (USITC), U.S. Customs & Border Protection (CBP) and the U.S. Census Bureau (Census). You can submit a request to the committee to accomplish:

- Add a statistical reporting number to better monitor trade flows for that particular product ([view an example](#))
- Update a statistical reporting number or unit of quantity to better describe the products being traded ([view an example](#))
- Remove a statistical reporting number that is no longer needed ([view an example](#))

Click here to see "[Recent Considerations & Approvals](#)".

- [Have you signed up to be on ACE?](#)

The ACE (Automated Commercial Environment) Secure Portal is a free, web-based entry point designed to connect U.S. Customs and Border Protection (CBP), trade partners and Partner Government Agencies (PGA) involved in importing and exporting goods into and out of the United States. ACE Portal users benefit from real-time access to trade data through these capabilities:

- Protest Filer Account Management
- ACE Reports
- Importer Account Management
- Exporter Account Management

Establish an account now by checking out the link provided [here](#).

- [Have you reviewed CBP's Informed Compliance Publications?](#)

U.S. Customs and Border Protection (CBP) has most likely addressed your import or export product in detail in a series of publications. CBP has also published several [Directives and Handbooks](#), which provide guidance to the public on a variety of trade-related matters.

- [CSMS # 65370045 - Wood Packing Material Webinar, Jul.10, 2025, 1.00 p.m. EDT](#)
